We will provide anything that is necessary for your pet's comfort during their stay here at Cleveland Road and we do not require you to bring any belongings with your pet for their stay. We do not recommend leaving any valuable items with your pet as items may be lost or misplaced during your pet's stay.

Please list any belongings that you are leaving with your pet (NOTE: we are not responsible for lost or misplaced items)

DAYCARE at Tabitha's Day Dog Care Center

- Clients of our neighbor, Tabitha's Day Dog Care Center, can arrange to have their pets spend the day next door at Tabitha's daycare even while you're out of town! We will gladly take your dog over to Tabitha's each morning and return them to our boarding facility each evening, ensuring your pet gets the best of both worlds while you are away - fun and exercise at Tabitha's by day and clean, safe overnight boarding by night! To arrange for this service, simply call Tabitha's at (330) 345-1526, and when you check-in to Cleveland Road Animal hospital for boarding, we will take care of the rest!
